The Insurance Institute of Michigan (IIM) is a government affairs and public information association proud to represent more than 90 property/casualty insurance companies and related organizations operating in Michigan. IIM members write almost \$8 billion in annual premium, or approximately 54 percent of the state's property/casualty insurance. IIM's purpose is to serve the Michigan insurance industry and the insurance consumer as a central focal point for educational, media, legislative and public information on insurance issues.
